

ForgeMind AI — Resource PDF · Build Checklist

Hand this to your design / content team before they open Canva, Notion or Figma.

SECTION 01 · ABOUT FORGEMIND AI

Task / Content Required	Owner
 Brand logo + tagline High-res logo (PNG/SVG). Confirm final tagline wording.	Design
 Company introduction paragraph 2–3 sentences: who ForgeMind AI is, mission, and target audience.	Content
 Core services list Bullet list of offerings: AI automation, consulting, training, tools.	Content
 Social proof / credibility line E.g. student count, notable clients, or founding year.	Content
 Contact / social links YouTube, WhatsApp community, website URL, email.	Content

SECTION 02 · FREE RESOURCES

Task / Content Required	Owner
 n8n Beginner Video Playlist Confirm final YouTube playlist URL. Add playlist thumbnail image.	Content
 WhatsApp Automation Beginner Playlist Confirm final YouTube playlist URL. Add playlist thumbnail image.	Content
 GitHub Repo — Workflow Files Paste public GitHub repo link. Note which workflows are included.	Content
 Any other resource links already shared in videos Cross-check all video descriptions for extra links to include.	Content
 QR codes for each link (optional but recommended) Generate QR codes so printed copies stay usable.	Design

 *Confirm every URL is live and correct before PDF goes to print / share.*

SECTION 03 · FULL-SCALE BUSINESS AUTOMATION COURSE

Task / Content Required	Owner
■ Course highlight slide / banner image The one slide that shows: Lifetime Access · 1-Day Live Q&A; · What's inside.	Design
■ 'Lifetime Access' badge or callout Make this visually prominent — it's a key selling point.	Design
■ Live Q&A; day detail Mention: 1-day live session, date/format if confirmed.	Content
■ Course landing page URL Double-check the link is correct and going live before sharing PDF.	Content
■ Purchase / enroll button link Direct checkout URL (separate from landing page if applicable).	Content
■ Coupon code (text, clearly displayed) Large, readable font. Confirm code is active and expiry date if any.	Content
■ Coupon code redemption link URL that auto-applies the coupon, if available.	Content
■ Coupon validity / expiry note E.g. 'Valid until DD MMM YYYY' or 'Limited seats'.	Content

SECTION 04 · DESIGN & PRODUCTION CHECKLIST

Task / Content Required	Owner
■ Choose PDF tool Canva (recommended for speed) · Figma · Adobe InDesign	Design
■ Set page size to A4 or Letter Confirm before starting — harder to change later.	Design
■ Use ForgeMind brand colours & fonts throughout Get brand kit from Design lead before starting.	Design
■ All links are clickable / hyperlinked in the PDF Test every link in Adobe Reader and in browser after export.	Design
■ Proofread all text — spelling, grammar, numbers At least two people review before final export.	Content
■ Export as PDF (not image PDF) so links work In Canva: Share → Download → PDF Standard (with links).	Design
■ Final file named correctly Suggested: ForgeMind_Resource_Guide_MMYYYYY.pdf	Design
■ Share PDF via WhatsApp broadcast & community group Confirm broadcast list is ready before launch day.	Marketing
